

Pre-Convention Member Issues Form

Instructions: Please schedule a Reflection Meeting in your organization to determine your top five issue areas. These should be based on the one-on-ones you conducted during the Listening Campaign. Use this form to list your issues. Reminder: please submit this form to info@noahtn.org by Friday, May 5th and please make plans to attend the May 9th Membership Meeting, where we will consolidate issues in preparation for the May 20th Issues Convention.

***NOTE:** The "problem areas" are considered broad problems, not specific issues; e.g., mass incarceration or jobs are problem areas, banning the box or a community benefits agreement are specific issues. At the end of the Issue Convention, NOAH members will form 3 Issue Task Forces (1 for each problem area selected); each Task Force will conduct research and power analyses to select specific issues to recommend to the Board for a vote.*
